The SCMUA conducts two household hazardous waste events annually, usually in the spring and fall. This program is available to Sussex County residents, local school districts, municipalities and county agencies.
The SCMUA conducts these special events because it removes from the waste stream pollutants and toxins that would otherwise find their way into landfill and the leachate generated.

YOU MAY BRING UP TO 100 POUNDS OF DRY HOUSEHOLD HAZARDOUS WASTE MATERIALS AND/OR 10 GALLONS OF LIQUID WASTE - *FREE OF CHARGE* ON THE ABOVE DATES ONLY.

LATEX (WATER BASED) PAINT IS NOT HAZARDOUS
IT CAN BE BROUGHT TO THE AUTHORITY AS REGULAR GARBAGE @ 13 CENTS PER POUND AT THE RESIDENTS' CONVENIENCE CENTER
FOR LARGER QUANTITIES TRUCK SCALE CHARGE FOR BULK WASTE

THE FOLLOWING ARE EXAMPLES OF HAZARDOUS WASTE THAT CAN ONLY BE BROUGHT ON THE DESIGNATED HOUSEHOLD HAZARDOUS WASTE DAYS

LEAD BASED PAINTS	OLD GASOLINE	PESTICIDES
OIL BASED PAINTS	AMMONIA	INSECTIDES
STAINS	LIGHTER FLUID	BRAKE FLUID
