STREAM RECYCLING COLLECTION
AND DISPOSAL

ADDENDUM 1C

BULKY ITEMS

Bulky Item and White Good Pick Ups: Bulky items characterized as furniture, mirrors, carpets, clothing, toys, building type materials not exceeding fifty (50) lbs. and large items not prohibited by law generated by owners own home renovations, etc. will be collected on each collection day.

Each residence shall be allowed two bulk items on each collection day.

White goods which are defined as metal objects and/or appliances will be credited as recycling tonnage and the Contractor and Green acknowledge that at the time of this contract, it is assumed that scrap dealers will accept white goods containing chlorofluorocarbons (cfc's/refrigerant cooling agents). In the event scrap dealers refuse to accept these appliances unless cfc's are removed, Green and Contractor will attempt to renegotiate a more equitable arrangement whereby the homeowner may be charged for the cost of removal of the cfc's or another equitable arrangement will be made.
