

GINGERBREAD HOUSE IN A BAG!

This year, because we can't get together to build the gingerbread houses in person you can pick up a family "Gingerbread House in a Bag" to make in the safety of your own home. Take a picture of the finished masterpiece and send it to landuse@greentwp.com to be placed on our Gingerbread Wall at Town Hall and on our social media pages.

Bags can be picked up at Town Hall starting Wednesday, December 2nd at 8:30am and will continue while supplies last. Gather the Family. Build and Decorate the House. Have Fun!

This event presented by the Green Township Recreation Committee

There are 50 family bags available and they are on a first come first served basis. No bags will be held for any reason.
