

Spring is Here ...but, unfortunately, our Egg Hunt is not.

New this year!

To celebrate spring, the Green Township Recreation Advisory Committee will hold a Letter Hunt! Letters will be placed throughout town for you and your family to find. The 12 letters, which can all be seen from the road and are located within Green Township, will spell a phrase and you will have to unscramble the letters to find out what that phrase is!

The letters will be up for the week of spring break following Easter.

No prizes will be given and there is no registration required, it's just good, plain fun!
