TOWNSHIP OF GREEN, COUNTY OF SUSSEX, STATE OF NJ

**AN ORDINANCE ESTABLISHING AN ELECTRIC AND/OR NATURAL GAS
AGGREGATION PROGRAM**

WHEREAS, the State of New Jersey has been engaged in a process to establish a competitive market place through deregulation and restructuring the electric utility market and/or natural gas market; and

WHEREAS, the establishment of a government aggregator and an energy aggregation program to purchase electric generation service and/or natural gas pursuant to N.J.S.A. 48:3-93.1 et seq. and N.J.A.C. 14:4-6.1 et seq. will increase competition for the provision of electric power and/or natural gas to residential and non-residential users, thereby increasing the likelihood of lower electric rates and/or natural gas rates for these users without causing any interruption in service; and

WHEREAS, under the aggregation process the residential and non-residential ratepayers may likely receive a direct reduction in their electric and/or gas bills; and

WHEREAS, the realization of energy cost savings is in the interests of the health, safety and welfare of the residents and non-residents of the Township of Green; and

WHEREAS, the Township of Green hereby finds that is in the best interests of residential and non-residential ratepayers for the Township of Green to create the opportunity for them to enter into an aggregation agreement in order to seek substantial savings on electric and/or natural gas rates; and

NOW, THEREFORE BE IT ORDAINED, by the Township of Green in the County of Sussex and the State of New Jersey, duly assembled in public session, as follows:

1. The Township of Green publicly declares its intent to become an aggregator of electric power on behalf of its residential users of electricity pursuant to the Government Energy Act of 2003, N.J.S.A. 48:3-91.3 to -98, and implementing regulations.
