

Special notice to our community regarding the upcoming November General Election

Considering the ongoing novel coronavirus (COVID-19) pandemic, Governor Murphy signed P.L. 2020, c. 72 on August 28, 2020, which requires County Clerks to send all **active registered voters** a Vote-by-Mail Ballot for the upcoming November 3, 2020 General Election.

Your mail-in ballot packet will be mailed to you at the end of September. If you want to participate in the General Election, you are encouraged to vote the ballot that is mailed to you. A limited number of Polling Places will be available for voters on Election Day where voters may vote **only by Provisional Paper Ballots** or return their **own** Vote-by-Mail ballot. If you have a disability and need an accessible Vote-by-Mail ballot, please contact the County Clerk's Election Division at 973-579-0900, ext. 1507, or you may go to your assigned polling place, which will provide you with access to an in-person accessible voting device on Election Day.

Detailed instructions for voting by mail will be included with your ballot packet.

Your packet will also contain a postage paid envelope for the return of your ballot through the United States Postal Service. You are not required to attach a stamp. You may choose instead to deposit your ballot in a secure ballot drop box located throughout the county or present your ballot to a poll worker at your assigned polling place on Election Day. Drop box locations will be provided in your ballot packet, and a post card listing your assigned polling location will be mailed to you no later than October 23.

Ballots are being mailed to the address at which a voter is registered to vote. **If you plan to be out of town between September 25th and Election Day** and will not be home when your mail-in ballot arrives, you should notify your County Clerk's Office so that arrangements can be made to mail your ballot to an alternate address.

Visit the Clerk's website for the most up-to-date information on voting by mail: www.sussexcountyclerk.org/elections. If you have questions, we are here to help. Call us at 973-579-0900.

NO BALLOT?

If you don't receive a ballot by mid-October, please contact your County Clerk's Office at 973-579-0900, ext. 1507.

LEAVING TOWN?

If you know you won't be home between Sept. 25 and Election Day, notify your County Clerk so your ballot can be mailed to an alternate address.

DON'T WAIT TO VOTE

Vote and return your ballot as soon as possible. This will ensure you have time to correct any possible issues (such as a signature discrepancy).
