Congratulations to Isobel Costello - Miss Green 2019

Jennifer Ahmad and Isobel Costello

Congratulations to Isobel Costello for being crowned the 2019 Miss Green Winner! Isobel will go on to represent Green Township in the Queen of the Fair Contest at the Sussex County Farm and Horse Show in August.

Isobel is entering her Senior year at Newton High School in the fall and will be taking Wildlife Management classes. This will help strengthen her interest and skills in stream mapping, fly tying, fly fishing and overall stream anatomy. She is active in the NHS Marching Band and plays multiple instruments including her favorite, the trombone.

Isobel has won the Project Self Sufficiency Mosaic Award twice and was a 2018 Hometown Hero for founding "The Weekend Bag" program.

This program helps provide food and hygiene products for students on the weekends throughout Sussex County. Isobel had noticed some of her friends did not have access to enough food on the weekends after they left school on Friday. Her program gives approximately 60 bags each week and it is all done anonymously. She will also be receiving a Certificate of Appreciation from the Russ Bernie Foundation, Making a Difference Award at Ramapo College.

If you are interested in donating to this worthy cause, please email Isobel at theweekendbagprogram@yahoo.com. You may also drop off non-perishable food and hygiene products at the Green Township Municipal Building on at 150 Kennedy Road.

Jennifer Ahmad, the First Runner Up, will be a Sophomore at The College of NJ in the fall majoring in Interactive Multimedia. She would like to pursue a career in animation for Disney. Jennifer is active in many clubs and organizations at school including Alpha Phi Omega which is a community service-based fraternity.

CERT - Community Emergency Response Team

On Sunday, June 30, 2019, the Green Township Community Emergency Response Team (CERT), was deployed to Hopatcong to assist the Hopatcong Fire Department in going door to door on the lake. We distributed flyers which explained the algae bloom and it's potential detriment to humans and pets if touched or ingested.

Every homeowner had numerous questions and concerns and were thankful for the information. We were not there to tell them what to do, rather to provide them with information they needed to make informed decisions based on their individual needs.

The Hopatcong Fire Department was very grateful for the assistance and it gave us an opportunity to participate in a last minute, hit the ground running deployment.

Anyone interested in joining Green Township CERT, please call Jennifer Assante @ 201-317-8405
