Downed Power Lines

If you see downed power lines or another hazardous situation, stay at least 30 feet away. Don't exit your car or home.

DO NOT TOUCH THE LINES!

DO NOT CUT UP ANY TREES THAT HAVE FALLEN IN THE ROAD, THEY COULD BE TOUCHING POWER LINES!

Look out for downed lines that may be covered up by debris or fallen trees. DO NOT remove a tree limb or other object from a power line. Electricity can travel through objects, especially when they are wet.

ALWAYS ASSUME **LIVE**

Downed power lines can be **deadly**. Always assume a downed power line is **live** and avoid approaching them or anything near them.

Use Precaution

Downed power lines can energize the ground up to **35 feet away**. Even more in wet conditions.

Never drive over downed power lines or anything in contact with them.

If you see a downed power line, **call 911**.

Never try to move a downed power line.

If a vehicle contacts a **power line** or **utility pole**...

STAY AWAY AND CALL 911

Consider **all lines** to be live and dangerous.

Stay in place or inside your vehicle unless you see **fire** or **smoke**.

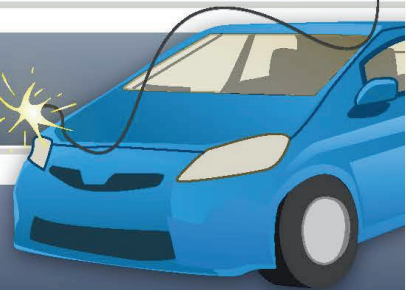

Warn others to stay at least **35 feet away**.

Tell others not to approach vehicle, downed lines, or anything that may be in contact with downed lines.

Call **911**.

In the Event of Fire or Smoke

Do not touch the ground and vehicle at the **same time**.

Jump from the vehicle with your **feet together**.

Shuffle away, avoid lifting your feet.

Roadway Safety

The use of Low-Speed Vehicles (LSV) such as Go-Karts, ATV's, UTV'S, E-Bikes, Golf Carts, Mini-Bikes, that are not street legal have increased to dangerous levels throughout Green Township. Through the shared service agreement with Andover Police Department patrols will focus on road safety in relation to these types of vehicles. There are new E-Bike laws that require riders 17 and older to hold a valid driver's license. Riders ages 15 to 16 must obtain a special Motorized Bicycle License. Golf Carts are also forbidden on Township roads unless they adhere to all NJMVC requirements. For the complete list of Low-Speed Vehicles classifications and requirements visit the New Jersey Motor Vehicle Commission website at www.nj.gov/mvs/

Gas Expansion

On or about July 20th Elizabethtown Gas will begin to install gas mains on the following roads: Maple Lane, Blueberry Lane, Spring Hunter Court, Stone Bridge Drive, Mill Race Court, Greentree Drive, Rachel Lane, Carriage Drive, Heron Way, Stone Forge Road, and Creek Road from Kennedy Road to Greentree Drive.

Roadways will remain open to allow for resident access.

All questions and concerns should be directed to:

TAX BILLS

Tax bills will be mailed Monday, July 20th. The extended deadline for payment is Friday, August 14th with no additional grace period.

Penny Holenstein Retires!

Cheers to 32 Years!

It was Resolution 119-94R appointing Penny to a four (4) year term commencing on July 1, 1994 that started her 32 year run in Green Township as the Tax Assessor. Penny will be remembered as a dedicated and loyal employee and has left pretty big shoes to fill!

She will be enjoying her retirement spending time with her grandchild, traveling, and in her beloved, beautiful garden.

Welcome Brian Townsend

Brian has been in the Assessing Field in NJ for 43 years. Outside of work his interests include travel, sports, gardening and music. He is looking forward to working with the Green Twp staff and providing services to all the residents.

Brian can be reached at 908-852-9333 x16 or assessor@greentwp.com

Congratulations!

On June 20th at Green Township Day

Bella Guzzo
was crowned
Miss Green 2026

by Miss Green 2025, Sofia Garibaldi
