ATTENTION RESIDENTS:

With the all the storms this area has gotten in the last few months and the large amount of animals in our area we ask that all residents be respectful of other neighbors when it comes to garbage. If your garbage has spilled into your yard or the yard(s) of your neighbor(s) please pick it up and dispose of it properly, it is not the responsibility of the garbage company to pick up garbage that is not bagged.

Please be advised that ALL Garbage and/or Recycling complaints/issues **MUST** be directed to Waste Management by calling **1-800-633-9096**. You **MUST** reference Green Township as your address. If the issue is not addressed by Waste Management then call Town Hall for additional help.

2018 Miss Green Scholarship Contest

After an amazing BBQ dinner from Chef's Catering the Miss Green Scholarship Contest began with four well qualified applicants who all embodied the community feeling of Green Township. After what I'm sure was a difficult decision from the judges, Grace Vigorito was crowned Miss Green 2018. Grace will be attending Lehigh University in the fall where she would like to work towards earning Bachelors Degrees in Design and Marketing. We congratulate all of our applicants and wish them the best of luck in their future endeavors.
