There is **NO PARKING** on any snow covered street in Green Township.

Initial violation will result in a warning and any violation thereafter will result in the towing of the vehicle.

Calling 911 from a land line instead of a cell phone may result in a significantly faster response time from emergency services.

**Swift 911** Bad weather months are here! If you want to be notified in case of an emergency then visit our website at [www.greentwp.com](http://www.greentwp.com), click on the Swift 911 icon and follow the directions to receive emergency notifications via land line, cell phone, and/or text message. You can also use the Swift911 Public app (text Swift911 to 99538 to get the link to your app store for the Public app). It's easy!
