Sean Canning of The Canning Group, LLC

Looking to volunteer?

Green Township needs a representative on the
Sussex County Water Quality Management
Policy Advisory Committee.

The purpose of this Committee is to critique
and aid the staff of the Water Quality
Management Program in determining the best,
fairest and most practical means of dealing
with water quality problems, issues and to
make recommendations concerning the same
to the Board of Chosen Freeholders. The
meetings are monthly on the first Thursday at
7:30pm at the Sussex County
Administrative Center in Newton. Please call
the Municipal Building at (908) 852-9333,
Extension 11 for more information.

INTRODUCE YOURSELF

Whether you're new or if a new neighbor moves in, introduce yourself! It can be scary moving to a new area. If you're new ask about the area. If they're new offer tips like where you can find the best pizza and gas prices.

STAY FRIENDLY

Arguments can happen. Differences of opinion will arise. No one is the absolute perfect neighbor but that doesn't mean you can't be friendly. If a problem does arise approach your neighbor first with something like "You may not have realized this, but...". Start there rather than leaving a nasty note or calling the police which will put a permanent strain on the relationship.

BE A GOOD DOG OWNER

Keep your dog on a leash while walking in the neighborhood and make sure you pick up after Fido. Keep the barking to a minimum, no one likes a barking dog.

CURB APPEAL

You found the perfect house. Chances are your neighbor feels the same way too. Basic lawn maintenance is important to maintain curb appeal and the value of your house and neighborhood. Mow your lawn, trim your trees, rake your leaves and keep your home looking clean and neat on the outside.

DON'T BE A PARTY ANIMAL

Everyone loves a good party but no one likes to be kept up all night by one either. If you are going to have a party the most considerate thing to do is to give your neighbors a head's up, this may help to forgive some increased noise levels. Inviting your neighbors to a barbecue or another casual occasion can put them at ease.

BE CONSIDERATE

Get to know your neighbor's lifestyles. If you know they work at night, make an effort to be quieter during the day. If you play bagpipes, warn your neighbor in advance and ask when they are open to hearing practice (never?).

Tree Seedlings
will be handed out
4/24/21 between
10am-12pm at
Town Hall,
150 Kennedy Rd.

Interested in being part of a Board or Committee? Openings available! Please call 908-852-9333 for more info.

STUFF YOU SHOULD KNOW...

Calling 911
from a land line
can increase the
response time by
emergency
services.

You can use
the drop boxes
outside Town Hall
for contactless
service in all
departments.

There is
NO PARKING on any
snow covered road in
Green Township.
Initial violation will result in a
warning and any violation
thereafter will cause the
vehicle to be towed.

If you pay taxes to
the Township of Green,
then you live in Green
regardless of your Newton or
Andover mailing address. The
NJ State Police responsible for
this area are out of the Augusta
barracks on Route 206
north of Newton.

If 911 is called by
accident or you hang up
when they answer, the
State Police are still
required to come to your
house to assess the
situation and make sure
everyone is safe.

Have you lost or
found a dog or cat?
Call the Animal
Control Officer,
Alan DeCarolis at
908-377-0808.
