

RECREATION ADVISORY COMMITTEE MINUTES
Regular Meeting – Virtual Meeting
March 16, 2021

The Recreation Advisory Committee held a regular meeting on March 16, 2021 virtually through Go To Meeting and it began at 7:03pm.

MEMBERS PRESENT: Colleen McLean, Patty DeClesis, Yvonne Hernandez (7:12), Brad Jones and Cyndy Devesly

MINUTES: Approval of Regular Minutes of February 16, 2021.

Brad made a motion to accept the minutes and Patty seconded. All Ayes. No discussion.

OLD BUSINESS: None

NEW BUSINESS:

Letter Hunt – After a brief discussion the Recreation Committee came up with a list of places for the letters to be placed. Kim will have them ready to put out Thursday, April 1 and Friday April 2 and remain out through the spring break week. The Recreation Committee will divide the letters to place around town.

Neighbors Teaching Neighbors – The Township Committee liked the idea but would like Mark to have the final say in which programs are used. Patty reached out to a few people who were interested. Deana can do a program on soap making and Yvonne can do kids program on exercise. Yvonne and Kim will sit down. The Recreation Committee will need to pick a platform and have a Hold Harmless agreement for each participant. Kim will send the flyer out.

Miss Green- This year because of COVID we will ask the participants to submit a creative video clip. Brad had suggested a live zoom call to ask questions. We will need to find independent judges and the girls will still be judged on the regular criteria. The Rec Committee would like to announce the program on May 1 with a submission deadline of June 1 and a deadline for the judges of June 17. Colleen will go over the criteria and put something together and return to Kim to publicize. We will need to have each participant sign a hold harmless agreement to have their pictures and videos release on social media. Kim will keep the Miss Green basic so each girl will have to contact Kim for a packet, this way we can keep a list of all interested.

MATTERS FROM RECREATION COMMITTEE MEMBERS:

After a motion to adjourn by Deana and a second by Patty this meeting was adjourned at 7:55pm.

Respectfully Submitted,

Kim Mantz

Recreation Secretary

Date approved: April 20, 2021
