

RECREATION ADVISORY COMMITTEE MINUTES
Regular Meeting
May 16, 2023

The Recreation Advisory Committee held a regular (virtual) meeting on May 16, 2023 at 7:06pm

Members Present: Patty DeClesis, Cyndy Devesly, Josephine Fracasso and Colleen McLean

MINUTES: Approval of Minutes of March 29, 2023. Motion to accept minutes by Patty and seconded by Cyndy.

ACTIVITY UPDATE:

Egg Hunt – The Egg Hunt went well, there were a lot of attendees. For next year we need to get back to the scavenger hunt so there is more to do than just pick up eggs. It was suggested that we try to find scouts to help run the event and have a handout with written directions to help people understand the process better. Too many kids just grabbing as many as they can instead of the letters to spell spring. We also need a megaphone for all of our events.

Yard Sale -There were 11 homes on the yard sale map this spring. We will need to change how set it up in house since Kim's conference will always be that week each year.

NEW BUSINESS:

Summer Kick Off BBQ – Tents, tables, chairs and bounce house are scheduled. Colleen will call Chef's to make sure they are ready to serve at 5pm. Kim will order more wristbands. So far, the numbers are very low.

Miss Green – There are currently no candidates for Miss Green, but Kim expects at least a couple will come in on the deadline day. Tents, tables and chairs have been scheduled. We still need to order the sashes and Patty will order the cake. Most importantly, we need judges, preferably three.

Green Township Day – Tents, tables, chairs and bounce houses are scheduled. Kim will send out emails to all vendors/information booth from last year and change the form to have the vendor list everything they will bring or be selling. Kim will reach out specifically to the Henna Tattoo vendor from last year as she was a big hit with the tween and young teen kids. We also need to find some other activities for that age group, suggestions included bracelet making, fairy hair and hair beading/braiding and rock painting. Annmarie Vena has proposed the scouts paint rocks with positive messages to leave on the trail, maybe this can be done at GTD as well. Face Painting has been secured. Chef's and the 6th grade class will be back this year selling food and drinks. Patty will contact Dawn Costello about running the games tent again. Colleen will reach out to Cliffs about the ice cream.
