**MATTERS FROM THE TOWNSHIP CLERK:**

The Township Clerk asked the Committee how they felt about not having the packets hand delivered the Friday before a meeting beginning in 2026. Packets will be emailed as usual and can be picked up by the Committee in the municipal building. The Committee agreed to pick up their packets; Qarmout's will continue to be hand delivered.

The Township Clerk showed the Committee a sample of the fence to be installed at EverGreen Park in January 2026.

The Township Clerk wished everyone a healthy, happy holidays and New Year.

Qarmout wished everyone warmest and fondest greetings, Happy Hanukkah, Merry Christmas and Happy, Healthy, and Blessed New Year.

Rose wished everyone Happy Holidays and a prosperous new year.

DeYoung commented on the number of violations and flippers throughout the Township. With part-time inspectors, he wants to be certain that we are not taken advantage of. DeYoung thanked everyone on the Committee as well as the employees.

Phillips asked that an explanation and reminder regarding the reassessment be included on the website. The information and video from the assessment company are helpful; however, information from the Township explaining the process would be beneficial. Several residents have questions regarding the process.

Phillips wished everyone a Merry Christmas, Happy Hanukkah, Happy Kwanzaa, Happy New Year! Phillips thanked all the staff in the building, the DPW and the Committee for all their hard work throughout the year.

Mayor Raffay stated that she has also had calls about the reassessment letters.

**RESOLUTION 2025-182**  
**TOWNSHIP COMMITTEE - TOWNSHIP OF GREEN**  
**COUNTY OF SUSSEX, STATE OF NJ**

**OPPOSING NEW JERSEY SENATE BILL S-4736**

**WHEREAS**, municipalities are required to establish a Municipal Master Plan with a combination of mandatory and optional elements including Goals and Objectives, Land Use, Circulation, Housing, Community Facilities, Downtown Economic Development, Historic Preservation, and Sustainability; and

**WHEREAS**, municipalities are also required to reexamine the Municipal Master Plan every 10 years to ensure that the master plan meets the community needs and is relevant as communities, evolve, grow, and change; and

**WHEREAS**, municipalities complete this effort at great cost and community input to ensure their community has a roadmap for growth; and

**WHEREAS**, a municipality is best suited to plan for and understand their community's needs, the existing infrastructure to address the municipality's public safety, health, traffic, and character and the ability to expand such infrastructure for desired growth; and

**WHEREAS**, there are many mechanisms for exceptions and variances to the local planning process; and

**WHEREAS**, municipalities have been diligently working to comply with the changes outlined in the passage of A-4/S-50 in 2024 that made substantial changes to the 4th Round of Affordable Housing obligations; and

**WHEREAS**, affordable housing construction has generally comprised between 10–20 % of a total development, but municipalities will end up constructing far more units during this current round of affordable housing; and

**WHEREAS**, recent legislative proposals that preempt the planning process by permitting the conversion of underutilized properties into mixed used developments, reducing the number of parking spaces required for new developments near transit, making Accessory Dwelling Units permissible, and most recently, legislation that enhances the ability of religious and nonprofit organizations to convert certain property to inclusionary developments with affordable housing undermine the careful planning process outlined in the Municipal Land Use Law; and

**WHEREAS**, this proposal, S-4736 is particularly egregious because the required percentage of affordable housing units is only 20% with the remaining 80% at market rate making it more challenging for municipalities to meet their 4th Round Affordable Housing obligations; and

RESOLUTION 2025-182  
TOWNSHIP COMMITTEE - TOWNSHIP OF GREEN  
COUNTY OF SUSSEX, STATE OF NJ

**WHEREAS**, this legislation bypasses local planning for increased density and height, regardless of a municipality's ability to ensure safety; and

**WHEREAS**, a worthy project could, and should participate in the local planning and zoning process to engage with the public; and

**WHEREAS**, S-4736 permits the bypassing of the local planning process which is an egregious assault on municipal autonomy and local decision making.

**NOW, THEREFORE, BE IT RESOLVED** by the Township of Green urges the legislature to defeat S-4736 and similar legislation that denies local autonomy in land use planning and ignores the well thought out master plan; and

**BE IT FURTHER RESOLVED** that a copy of this resolution is forwarded to the Senator Parker Space, Assemblymember Dawn Fantasia, Assemblymember Michael Inganamort, Governor Phil Murphy, Governor-Elect Mikie Sherrill, and the New Jersey State League of Municipalities.

DATED: December 15, 2025

I, Mark Zschack, Township Clerk of the Township of Green, County of Sussex, State of New Jersey, do hereby certify the foregoing resolution to be a true and correct copy of a resolution adopted by the Township Committee at a regular meeting held on December 15, 2025.
