## Mayor's Message

Hello Friends and Neighbors,

Happy Spring! The winter has been long and cold, and I am sure you join me in the excitement for warmer weather. As flowers start to bloom and the landscape turns from brown to green, I hope you take time to appreciate all the wonders of spring and summer in our lovely community.

Our town parks, hiking trails, and the ability to join a lake that we can enjoy are just a few things to do in our beautiful town. Be sure to check the township calendar which lists all the activities the town has planned for the upcoming season.

We are happy to report that the town has secured a grant for recreation improvements, which will be used to improve the walking trail at Evergreen Park as well as other parts of the parks.

Thank you to our DPW department who did a fabulous job at Wesley Field for all the baseball games. Improvements were made to the field, the dugout area, and a 10-foot bench has been installed. The DPW also has installed three new dog waste containers so residents and dogs (must be on a leash) can enjoy the parks and Connector trail.

Around the town: a company has been retained to do a drainage study in the Lake Tranquility section. We received a grant to work on Yellow Frame Road. We continue to work with the Andover Police Department to have drivers slow down on our roads.

Be advised, spring is turtle crossing time so look out for them on the road.

Hope you all have a happy and healthy spring and summer!

Mayor Virginia (Ginnie) Raffay
