**GREEN TOWNSHIP COMMITTEE
MINUTES OF THE REGULAR MEETING

MATTERS FROM THE GOVERNING BODY: Mr. Chirip asked about the school continuously raising taxes within the 2 percent cap. Mr. Chirip asked the Township Attorney if there is a way the Township can have more control by approving an ordinance that the school tax levy can go before the voters? The Township Attorney will look into.

Mr. Chirip asked if there an ordinance limiting the number of boats/recreational vehicles that can be stored on a property. Mr. Zschack will follow-up with the Zoning Official.

Mr. Qarmout commented that Student Government Day is a great opportunity for the students and recommends the Township continue with the program. Mr. Qarmout asked Mr. Zschack about the pricing for propane and what the process is to change propane companies. Mr. Zschack responded that the Township may be able to save some money. Mr. Zschack explained that he is in the process of researching options such as state contract, co-op, go out to bid or obtain two quotes if the amount is under the bid threshold.

Mrs. Raffay stated that Student Government Day is a wonderful program. Mrs. Raffay commented that Tranquillity Farms put their new fence up which now blocks our sign on 517. Mrs. Raffay commented that many students on the bus tour during Student Government Day stated that they would like to have a dog park in Green Township. Mrs. Raffay believes this is something the Township should consider. Mrs. Phillips added that in a meeting with a DPW employee, it was brought up that they frequently see dogs in our park even though there are many signs stating "No Dogs Allowed". Mrs. Phillips asked the Committee's thoughts on changing the ordinance as it reads to allow leashed dogs on the walking trail at EverGreen Park as well as the County Connector Trail. If dogs are found in the park they can be redirected to the areas where dogs are allowed. A discussion ensued concerning liability and location if a fenced in dog park is the preferred method. Mr. Zschack will research for further discussion at the next Committee meeting.

Mrs. Phillips thanked Mrs. DeClesis and Mr. Zschack for their efforts in coordinating Student Government Day and hopes the program continues each year.

Mayor Conkling recently attended a Mayors Roundtable discussion in Rutherford. The topics of discussion were low income housing and cannabis. A speaker from the New Jersey Cannabis Industry Association (NJCIA) talked about the three markets, and an opt in/opt out proposal. The Township Attorney explained how the proposed legislation may expand to recreational marijuana use. If the law is enacted, the Township will have to consider what to do.

MATTERS FROM THE ACTING TOWNSHIP CLERK: Mr. Zschack noted the following matters:

Financial Disclosure Statements

It is time again for the filing of the annual Financial Disclosure Statements with the due date of April 30th. Please keep in mind that there is a \$100.00 fine to anyone that does not file. If anyone needs assistance please contact Mrs. DeClesis, for guidance through the process.

911 Shared Service Contract

The 911 shared service contract with Sussex County terminates at the end of this year. The County sent a draft proposal for consideration to continue the service through 2024. The increase is only 2% each year of the contract. The recommendation is to continue the shared service.

DPW Cell Tower

Once the financial terms between American Tower and AT&T are agreed upon, the attorney for American Tower Corporation will contact the Township Attorney to draft a tri-party lease agreement.

Culvert Fox Hollow Way

The County performed the final inspection of the culvert on Fox Hollow Way. It appears the only concern the County has is, are easements needed to perform maintenance. The Township Attorney is researching what is warranted to complete the transfer of the culvert to Sussex County.

**GREEN TOWNSHIP COMMITTEE
MINUTES OF THE REGULAR MEETING
APRIL 15, 2019**

Clean Communities

Clean Communities Day is scheduled for April 27, 2019, from 8:00 a.m. to 1:00 p.m. As always various groups will clean up the roadways and township properties. The DPW will be collecting old tires, batteries, used metal car parts and e-waste. Paper shredding will also be available, at the DPW site, from 9:00 a.m. to noon.

Road Reclamation

Mr. Perigo, the Township Engineer and Mr. Zschack met to discuss the paving projects for the year besides Hibler Road. The three of us were in agreement that Spruce Drive and Terhune Road are in the worst condition of any road and we recommend its reclamation. We are still discussing other roadways but the possibility of paving the remainder of (Lower) Whitehall Road, not being paved by Elizabethtown Gas is high on the list, if affordable. The Township Engineer is crunching numbers and we will return in the near future with the final recommendations.

Unimproved ROW Misty Lane

The Township has received an inquiry concerning an unimproved portion of Misty Lane. The deed for Block 10.01 Lot 19 states: *"In the event the Township of Green vacates the proposed Misty Lane extension at any time, the entire right-of-way shall automatically attach to and become part of the Premises, Block 10.01, Lot 19."* The current owner has asked if the Township would consider to vacate. The concern is, if vacated access to the property at the end of the Misty Lane is denied. A discussion ensued and the Committee agrees to leave the portion as is.

MATTERS FROM THE TOWNSHIP ATTORNEY: Mrs. Leo thanked the Committee for including her in Student Government Day.

MATTERS FROM THE MUNICIPAL DEPARTMENT HEAD: All matters were previously covered. Mr. Perigo added that Student Government Day is an interesting day for the students and a growing experience for them.

PUBLIC COMMENTS AND/OR QUESTIONS:

Mrs. Josephine Fracasso, 111 Hibler Road, asked what the cost would be for the Township to put in a dog park. Mr. Zschack stated that information would be part of the research as well as liability to the Township. Mrs. Fracasso commented that there is dog park in a nearby municipality.

Mrs. Anne Marie Cooke, 15 Fieldview Road, noted there is a huge crater at the end of Fieldview Road and a sinkhole developing on another section of Fieldview Road. Mr. Perigo explained they will both be addressed in the near future. Mrs. Cooke also noted the trees hanging over the roadway on the lower portion of Whitehall Road. Mr. Zschack commented that the Township has budgeted money for tree removal if on municipal property.
